

Ibrahim Saidi

Peer Researcher

A self-motivated university graduate with an interest in research. I am a reliable team player who can work in a fast-paced environment with accuracy and do so under limited direct supervision. Having always been passionate about working in the academic industry, I am excited at the prospect of using my knowledge towards advancing humanity.

WORK EXPERIENCE

Peer Researcher

Relationships Australia [↗](#)

01/2020 – Present

Adelaide

Tasks

- Currently involved in a research project aiming to understand what overseas-born people, living in Australia, know or think about sexually transmissible infections (STIs) and blood-borne viruses (BBVs), like HIV/AIDS and hepatitis B; and whether any changes are needed to help overseas-born people to stay safe against STIs and BBVs.
